

PART NUMBER	SATN-4-500-650
DESCRIPTION	Saturn Shade 4 Rings 500 Diameter 650 High
LIGHT SOURCE	Not included with shade.
WIRING	This shade size is wired with 3 E27 lamp holders and 2m tail of cable flex.
SUSPENSION	Suspended by the cable flex attached to the shade with a cord grip where the inner and outer shade are joined. A suspension kit should be purchased with this shade, we suggest SPK-CAT-100-3m-3.
MATERIALS	An inner and outer shade are made with steel wire frames with fabric covered PVC panel sides. White aluminium composite false gear tray in top and opal acrylic 030 diffuser in bottom of inner shade.
WEIGHT (estimated)	3.54Kg
